

NEWSLETTER 2025-26

Loknete Gopinathji Munde Institute of Engineering Education & Research

From the President's Desk

Kondajimama Avhad

President

KVN Naik Shikshan Prasarak Sanstha

Let me welcome you to our Fold! As we welcome you, the future leaders and productive citizens of the world, I would like to stress on the famous sentence - Grooming young minds and hearts as the pillar of advancement of a nation and hope of the future. Our Society was formed by a team of Service-oriented individuals with the aim to promote education and culture in all aspects in order to achieve and fulfill the mission statement that we believe in i.e. "To provide high-quality education to the underprivileged and weaker sections of the society. The institution's motto is "दुरितांचे तिमिर जावो" which means "May the darkness of the ignorant disappear". We firmly believe that education is the key to a nation's progress with this; we will take it as our bounded duty to provide the best academic training a student can possibly get. The institution endeavors to comfort the students with all the necessary knowledge and skills to become truly successful in the chosen field. In whatever career a student may choose to take, hard work and discipline are the sure roads towards success. And as your educational institution, we will support students in achieving those golden ambitions and also ensure that their stay in the college is meaningful and fruitful as well. Students, you are about to cross a bridge in your life because college education is a turning point itself. It is in your hands to make sure that bridge leads you towards success. The hard work of today is the triumph of the future. The time and effort you spend today are the deciding factors of your later years. As the President of this institution, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams to reality. And if there is any assistance that you might need, may it be personal or professional, I shall always be willing to hear from you. I wish you all the best!

Secretary's Message

Hemant Dhatrak

Secretary

KVN Naik Shikshan Prasarak Sanstha

I strongly believe in innovative methods of education, which can foster leadership and accountability in this challenging era of 21st century. Our sole aim is to encourage the personal, social, physical, ethical and academic well-being of all our students, besides academic excellence. Our goal is to develop scholarly students with great self-discipline, intense perseverance and zeal to excel to meet challenges of the modern society. We take pride in providing a caring atmosphere to all students and appreciate the cooperation and support extended by the faculties, present community and all members of LoGMIEER to sustain the high standards set by the management. At LoGMIEER, We Nurture, We Transform, & We Create Global Business Leaders. What we have achieved in the last 14 years is only because of the dedicated faculty, staff, students and their parents. The Magazine highlights the achievements and accomplishments of our students in every sphere and it is also a testimony to the hard work exhibited by students and faculty to make the year memorable. I congratulate the Editorial Team for their efforts in compiling and creating such a wonderful work which truly covers the entire Spectrum of our College

From the Principal Desk

Dr. K. V. Chandratre
(Principal)

I am delighted to witness the launch of "*The E-Bulletin*" by the Department of Information Technology—a commendable initiative that fosters curiosity, creativity, and collaboration. This newsletter is a true reflection of the department's vibrant academic spirit and will undoubtedly inspire both students and faculty.

Heartfelt congratulations to Dr. M. T. Jagtap and the entire team for their dedication and effort. Wishing everyone a successful and enriching academic year ahead.

From the HOD Desk

Dr. M.T. Jagtap
Head of Department
Information Technology

I'm delighted to present the latest edition of our department's newsletter — a platform that captures the spirit, achievements, and aspirations of our vibrant academic community.

This newsletter serves not only as a record of departmental activities, but also as a reflection of your creativity, dedication, and enthusiasm. From academic milestones and innovative projects to student initiatives and faculty contributions, each page celebrates the collective efforts that define who we are.

I encourage you to read, contribute, and stay connected through this medium. Let it inspire you to explore new ideas, engage in meaningful work, and be an active part of our department's journey forward.

Wishing you continued success and growth!

DEPARTMENT ACTIVITIES

Parents Meet

The Department of Information Technology at LoGMIEER, Nashik, organized a Parents Meet on 28th June 2025 with the goal of fostering collaboration between faculty, parents, and students. The session served as an essential platform to share academic plans and institutional expectations for the Academic Year 2025-26, while also strengthening the parent–institute relationship.

The meet began with a warm welcome, followed by a comprehensive orientation where parents were introduced to the department's academic framework, syllabus structure, examination and evaluation methods, attendance norms, and discipline policies. Faculty members also highlighted co-curricular opportunities, student support systems, and departmental initiatives aimed at overall student development. An interactive discussion session allowed parents to express their queries and suggestions, leading to open and meaningful dialogue. The event underscored the importance of active parental involvement in guiding students toward academic and personal success.

Poster Presentation Competition

Description of Activity:

The Poster Presentation Competition is an academic and creative event designed to encourage participants to visually communicate their ideas, research findings, or innovative solutions on a specific theme or topic. In this competition, participants prepare and present a poster that effectively combines text, images, charts, and design elements to convey key messages in a concise and impactful way.

Participants may work individually or in teams to research, design, and explain their posters to judges and viewers. The competition not only tests their subject knowledge, but also their ability to present it clearly and creatively. Each participant is evaluated based on content accuracy, visual appeal, creativity, presentation skills, and relevance to the theme.

❖ **Day & Date:** Tuesday, 15th July 2025.

❖ **Outcomes:**

- Participants learn to convey complex information in a clear, concise, and engaging visual format.
- Students develop skills in gathering, analyzing, and organizing relevant information around a topic.
- Participants gain experience in designing visually appealing and informative posters using creative layouts and graphics.
- Students gain confidence in presenting and explaining their work to an audience or judges.

Social visit to Aadhar Ashram, Nashik

1. Acknowledgement

We would like to express our heartfelt gratitude to the management and staff of Aadhar Ashram, Nashik for providing us with the opportunity to visit and interact with the residents. We are deeply thankful for their hospitality, openness, and the valuable insights shared during our visit. We also extend our appreciation to our institution and faculty for organizing this meaningful and enriching social outreach program

2. General information

- **Name of Place Visited:** Aadhar Ashram
- **Location:** Nashik, Maharashtra
- **Date of Visit:** 26/07/2025

3. Purpose of visit

The primary objectives of our visit were:

- To understand the functioning and role of a social welfare institution like Aadhar Ashram.
- To interact with the residents and offer emotional companionship.
- To develop a sense of social responsibility and empathy among participants.
- To contribute through donations, activities, or volunteer work (if any was done).
- To learn about the challenges faced by underprivileged sections of society

4. Outcomes of Visit:

The visit was highly impactful and achieved its intended goals:

- **Awareness and Learning:** Participants gained a deeper understanding of the lives of orphans, senior citizens, and differently-abled individuals.
- **Emotional Connection:** The interactions fostered compassion and emotional bonding, especially with the children and elderly.
- **Activities Conducted:** [Specify if any activities were conducted like games, singing, storytelling, distribution of gifts, food, clothes, etc.]
- **Teamwork and Reflection:** The experience encouraged teamwork and sparked meaningful discussions among participants about social inequality, mental health, and care systems.
- **Contribution:** Food items

5. Conclusion

The visit to Aadhar Ashram was a humbling and transformative experience. It reminded us of the value of human connection and the importance of giving back to society. We returned with a renewed sense of gratitude, responsibility, and a commitment to contribute meaningfully to the lives of those in need. Such social visits not only broaden our perspective but also help build a more compassionate and inclusive community.

Google Coding:

Description of Activity:

- ❖ **Day & Date Time:** Every Friday 2025 , 1.00 P.m
- ❖ **Outcomes:**
 - Top performers were awarded Google Cloud credits Google Swag Packs , and certificates of achievement.
 - The winning team received internship offers from Google , providing a huge opportunity for students to work with one of the world's leading tech companies.
 - The IT Department organized coding workshops and mentorship sessions leading up to the competition. These sessions focused on data structures , algorithms , and efficient coding techniques

CODE WAR'25

Description of Activity:

❖ **Day & Date Time:** Tuesday 2nd September 2025 , 1.00 P.m

❖ **Outcomes:**

The coding competition enhanced students' problem-solving and logical thinking skills while giving them hands-on experience in writing efficient code. It boosted their confidence, encouraged creative and analytical thinking, and exposed them to real-time competitive environments. The event helped identify talented programmers and motivated all participants to further improve their coding abilities

Number of participants: 160

Photographs:

The poster for the IT, COMPUTER & AIML DEPARTMENT CODE WAR'25 CODING COMPETITION features a dark blue background with white and yellow text. At the top, a laptop displays the Python logo. The main title is in large, bold, white letters. Below the title, there are icons for a document, a graduation cap, and a globe. The poster is divided into sections for VENUE, WHO, WHERE, SKILL UP ON PYTHON, LEVELS, PRIZES, ENTRY FEES, and PERKS. The background also includes faint, repeating text from a code editor.
